Puneeth Rajkumar NO MORE

'Power Star' Puneeth Rajkumar
17.3.1975 - 29.10.2021

Bengaluru, Oct. 29 (Agencies)- Sandalwood actor 'Power Star' Puneeth Rajkumar (46) passed away due to a massive heart attack at Vikram Hospital in Bengaluru today noon. The news has shocked lakhs of his fans.

Sources said that the actor was rushed to the hospital after he complained of discomfort while exercising in the gym. A group of doctors constantly monitored him but in vain. Doctors attributed Puneeth's condition to severe myocardial infarction. Puneeth was brought to Vikram Hospital with a history of chest pain at 11.40 am.

Before heading to the gym, the actor reportedly told his family that he wanted to go to Gajanur in Chamarajanagar, his birthplace.

Chief Minister Basavaraj Bommai, former CMs B.S. Yediyurappa and H.D. Kumaraswamy and family members visited the hospital. A team of Police and officials from BBMP visited Kanteerava Stadium where the mortal remains of Puneeth is expected to be kept for the public to pay their last respects.

Earlier, as soon as the news of Puneeth's hospitalisation spread, his fans started rushing to the hospital. In view of this, the Police deployed security near the hospital and also at his home.

Shivarajkumar's daughter Niveditha and members of Dr. Rajkumar family too rushed to the hospital. Crazy Star Ravichandran, actors Yash, Darshan, producer Rockline Venkatesh and other members of the film industry visited the hospital.

Puneeth Rajkumar, who attended the pre-release event of *Bhajarangi-2* was expected to watch the same movie today. Puneeth, who was last seen on the silver screen in the movie *Yuvarathnaa*, was shooting for the action-packed movie *James*.

EDITOR'S BOTTOMLINE

Women are doing things better than men. This is not evolution of human mind or women's liberation or masculine magnanimity. This is just advancement of technology. The playing field has become reasonably level. So equality is never in question, but sameness is a stupid thing to do. Instead of trying to fit a woman into a masculine world, it is time we structure society and the world so that there is an equal role for masculine and feminine. The society we have created is so super-masculine, it is not even good for a man, forget about a woman. Right now, it is badly tilted against her and she is desperately trying to fit into the man's world, which is unfortunately taking its toll. And when it takes a toll on her, a general disruption of life happens. We need to restructure many things in this society, so that there is an equal role for masculine and feminine aspects of nature. As a masculine, aggressive way of doing things is needed on one level, aesthetics, music and being sensitive to things must become equally important. — *Sadhguru Jaggi Vasudev in The New Indian Express*

Offshore oil platform as theme park

Riyadh: As part of its ambitious efforts to attract tourists from across the world, Saudi Arabia has announced plans to turn an abandoned offshore oil platform into an oil-themed extreme theme park.

Named 'The Rig', the upcoming offshore theme park is part of the Saudi Vision 2030's strategy, which aims to diversify the country's economy and boost its tourism industry in particular. The 1.6 million-square-foot extreme theme park will feature roller-coaster rides, submarines, bungee jumping and sky diving among other adrenaline-inducing amenities, as well as three hotels and 11 restaurants across The Rig's interconnected platforms.

Touted as the "world's biggest offshore multipurpose structure," as well as the "world's first tourism destination inspired by offshore oil platforms," The Rig has been getting a lot of attention, despite being bing in the early development stage.

Tourists will be able to reach The Rig by helicopter and via a superyacht marina with 50 berths. That's a pretty good indication that this is not an attraction for frugal adrenaline junkies...

Boy with a unique name: ABCDEF GHIJK

Jakarta: A 12-year-old boy from Indonesia's South Sumatra province recently made international news headlines because of his bizarre name – ABCDEF GHIJK.

The discovery was made when the boy took part in a vaccination drive in Muara Enim district. Health workers thought the boy's name was a joke when they saw it in the appointment list, but their smiles turned to utter disbelief when they saw the same name, ABCDEF GHIJK, on his official ID. Photos of the boy's documents and a name tag embroidered on his clothes went viral online this week after a Police officer shared them on social media.

Repair this potholed road

Sir,

Travel on the pothole-filled Race Course Road, towards the City Armed Reserve (CAR) Police Grounds is a torture for four and two-wheeler riders. The condition of the road was steadily deteriorating from the past couple of years. With the recent rain havoc, the road has become unusable.

The MCC has to do something about it. Also the citizens are put at risk driving on this road that connects the various places leading up to the Chamundi Hill entrance.

As a citizen paying huge road tax, I urge the local body to repair the road at the earliest.

Mitigating human-animal conflict

Legislative Council delegation visits Bandipur, Nagarahole

Saragur, Oct. 29 (Nagesh& BCT)- In an effort to find a long-lasting solution to the human-animal conflict, a delegation led by Karnataka Legislative Council Deputy Chairman M.K. Pranesh, who is also the Chairman of the Petitions Committee, visited Hediyala, Omkara and Moleyur ranges of Bandipur Tiger Reserve on Oct. 27.

The team visited the areas and inspected the rail line barricades that have been laid to prevent the entry of wild elephants that cause widespread damage to the standing crops.

The Council delegation members interacted with villagers living along the forest fringes and also spoke to farmers who have been bearing the brunt of human-elephant conflict.

Speaking to reporters, Pranesh said that disbursing compensation to the loss of human life and crops remains a major issue and more than this, enabling the victims to lead a respectable and independent life is crucial. The Committee would work towards empowering the farmers, he added.

Noting that the task of rail line barricading was 80 percent complete, he said that steps will be taken to finish the remaining part of the works.

Several farmers and villagers interacted with the team and suggested ways and means to minimise the human-animal conflict that is on the rise.

The team earlier visited the Nagarahole National Park and interacted with officers and villagers on similar lines. Next, the team will proceed towards Hassan where several human-elephant conflicts have been recorded in Sakleshpur taluk.

Team members N. Appajigowda, Dr. Tejaswini Gowda, Mohan Kumar Kondajji, Head of Forest Force and Principal Chief Conservator of Forests (PCCF) Sanjai Mohan, PCCF Wildlife Vijaykumar Gogi, Principal Secretary-Forests Sanjay Bijoor, Bandipur Tiger Reserve Director C.S. Natesh and several farmer leaders were present during the delegation's visit.

1,500 saplings planted at Railway Hospital

Mysuru, Oct. 29- South Western Railway (SWR), Mysuru Division, has partnered with Schneider Electric India Private Limited and an NGO, Communitree, to plant 1,500 tree saplings at Railway Hospital premises in city.

The Railways undertake extensive plantation drive every year. Besides increasing the green cover over the Railway land, planting of saplings and harvesting of mature trees is a continuous process.

On Saturday last, SWR Mysuru Division planted 1,500 saplings at the Divisional Railway Hospital, Mysuru. Saplings of 10 different indigenous species of tree namely Neem, Jamun, Guava, Mango, Mahogani, Rosewood, Fig etc., were planted. The drive is aimed to create a self-sustained dense microforest and make city greener, cleaner and reduce carbon footprint.

The event was inaugurated by Amit Kumar, Vice-President and SBU Head MPS, Schneider Electric India Private Limited while Devasahayam, ADRM, was the chief guest. Speaking on the occasion, they emphasised the commitment of Schneider Electric India and Indian Railways respectively toward greener and cleaner environment.

Grow more bamboo inside forest to feed elephants: MP

MP Pratap Simha addressing DISHA meeting at ZP Hall in city yesterday as Mysuru City Corporation Commissioner G. Lakshmikantha Reddy, Deputy Commissioner Dr. Bagadi Gautham, ZP CEO A.M. Yogesh and Deputy Conservator of Forests Dr. V. Karikalan look on.

Mysuru, Oct. 29 (RK&BCT)- Bamboo groves serve as the best microcosms of forest life and growing bamboo inside the reserve forests will prevent wild elephants from straying into human habitations in search of food, opined Mysuru-Kodagu MP Pratap Simha.

He was addressing a meeting of District Development Coordination and Monitoring Committee (DISHA) at Zilla Panchayat Hall in the city yesterday and asked the Forest Department staff to grow bamboo and other grass abundantly in the reserve forests and also Tiger Reserves in Bandipur and Nagarahole.

Besides adding to the green cover of the forest, bamboo stalks are a rich source of nutrition for wild animals. "You have to revive bamboo growth across the reserve forests and they must be grown across vast tracts. This will also prevent elephants from raiding the nearby villages foraging for food," he said.

Earlier, green and native bamboo was abundantly available inside the forest and this had restricted the entry of elephants to human habitats in search of fodder. Due to extensive forest fire and other factors, green bamboo growth has declined over the years, forcing elephant herds to enter paddy fields, the MP noted.

The receding cover of bamboo, besides reducing food stock for the wild animals, had an unintended consequence — human-elephant conflict — Pratap Simha said. He also asked the department staff to complete the barricading of the reserve forest boundaries with iron railway tracks.

The elephant population in Karnataka has grown of late and Bandipur and Nagarahole tiger reserves have over 1,200 to 1,300 elephants, said Forest Department officers. Of the 857 km targeted areas, only 57 km have been fenced with railway barricades and a fund of Rs. 500 crore is required for the same, the MP was told.

Pratap Simha also directed the officers to encourage farmers to grow green areas and also distribute saplings and provide incentives for those farmers who have taken up extensive tree plantation drives.

Directing the Deputy Director of Public Instruction Ramachandraraje Urs to ensure the safety of children in a post-pandemic scenario, the MP asked him to work towards achieving good results in SSLC exams.

He also spoke about stopping pilferage from Fair Price Shops and eliminating bogus below poverty line (BPL) cards.

He asked authorities to speed up works of making proposals regarding development of Ring Road and underbridges at designated spots along the Ring Road.

Kodagu origin Maoist leader surrenders in Kerala

Madikeri, Oct. 29 (PS&BCT)- A Naxal movement leader, who has his roots in Kodagu, has surrendered before the Kerala Police in Wayanad. He is 37-year-old Lijesh, alias Ramu alias Raman Lijesh, a senior leader of the proscribed Communist Party of India (Maoist).

He lived at Perumbadi-Arji village near Virajpet and was an agriculturist before he took up arms. His family hailed from Kerala and decades ago, they had settled in Arji village and maintained agricultural lands for livelihood. The family also cultivated ginger in neighbouring fields.

In 2009, he went to Kerala in search of a job where he met Maoists and other Naxal-leaning activists and never returned. Lijesh said that he was associated with CPI (Maoist) for seven years and had operated in the forests of Kerala, Karnataka and Andhra Pradesh. He claimed that he was the deputy commander of 'Kabini Dalam' of the banned organisation.

Addressing a press conference at the District Police Office in Wayanad, Lijesh said he decided to surrender after he realised the futility of the Maoist movement. He is married to Rema (name changed) who is still a member of the extremist group.

"I have been operating in the Wayanad area along with my cadres for the past seven years. There is nothing we could gain. I appeal to other members also to surrender," Lijesh said.

Lijesh

The surrender is a big achievement for the Kerala Police as it is for the first time a Maoist cadre is responding to the surrender and rehabilitation policy announced by the Government in 2018.

As per the rehab policy, the district-level committee will sanction a package according to the category of the surrendered candidate and they will be paid money ranging from Rs. 3 lakh to Rs. 5 lakh depending on the category.

Also there is provision for allotment of houses under housing policy of the Government and payment of a fixed sum for pursuing studies. As per the surrender policy, while heinous crimes committed by the surrendered will continue in Courts, the Government may consider withdrawing cases related to minor offences. It may also provide free legal services and fast track courts may be constituted for speedy trial of cases against the surrendered.

MLA inspects rain-affected areas

Mysuru, Oct.29 (RKB&DM)- K.R. MLA S.A. Ramdas visited rain-affected areas in his Constituency on Thursday.

The MLA visited severely affected areas such as Kuvempunagar, Jayanagar, Agrahara, Ittigegud, Kuempunagar M-Block, Vishweswaranagar, J.P.Nagar, Srirampura and surrounding residential localities and carried out an inspection on the havoc and damages caused by heavy rains that lashed the city for about a week.

Later, speaking to presspersons, Ramdas said that damages have been caused in 15 points of the Constituency. Attributing the damages mainly due to blockage of Underground and storm water drains, he said that the authorities have been directed to take appropriate measures for finding a lasting solution to this problem.

Pointing out that he visited the residence of Chandregowda, who was swept away by rainwater in Siddarthanagar a few days ago and has assured his family members of getting Rs.5 lakh from the Government as compensation, the MLA said that he has instructed the authorities concerned to ensure that rain-related problems are addressed at the earliest.

Mayor Sunanda Palanethra, Corporators Roopa, Chayadevi, B.V. Manjunath, Champaka, Geethasri Yoganand, Shanthamma Vadivelu and Shivakumar, BJP leaders M. Vadivelu, M.R.Balakrishna, Prasad Babu, Yogesh Babu, Yoganand, Nagaraj, Hemanthkumar and others acompanied the MLA.

MCC launches Rajakaluve Encroachment Clearance Drive from Bogadi Lake

Mysuru, Oct. 29 (RK&DM)- Alerted by the havoc caused by the recent heavy showers that lashed the city, with several lakes in and around the city overflowing, the MCC launched a mega Rajakaluve encroachment clearance drive this morning.

The drive began from Bogadi Lake, which overflowed due to incessant rains, as one of the main Rajakaluve (big storm water flow canal) that links the lake with nearby Lingambudhi Lake, was encroached upon.

The MCC authorities razed down 2 compound walls and 2 sheds that were unauthorisedly built on Rajakaluve of Bogadi Lake, which were found to be severely blocking the flow of water.

Speaking to *Star of Mysore* this morning, MCC Superintending Engineer Mahesh said that the Rajakaluve encroachment clearance operation has been launched on a war-footing in order to find a permanent solution for civic problems that arise whenever the city experiences thunder showers. Pointing out that all Rajakaluve encroachments in the city limits will be identified through a survey, he said that the operation will be completed in full in six months from now, during which the Rajakaluves leading from the lakes will be cleared of all encroachments and dumped wastes or debris. Besides, the MCC will also remove all silt that has accumulated in Rajakaluves over the years, he said adding that necessary measures will be taken to ensure that rain water flows smoothly in all Rajakaluves without any blockages or any other sort of obstacles.

Abhaya team personnel and other MCC staff took part in the operation.

MCC Zone-3 Development Officer Sathyamurthy and other officials were present.

Congress stages protest against BJP leaders C.T. Ravi and Kateel

Mysuru, Oct. 29 (RKB&DM)- Strongly condemning the alleged derogatory remarks made by BJP National Secretary C.T. Ravi and State BJP President Nalin Kumar Kateel against Opposition leader and former Chief Minister Siddharamaiah, the City and District Congress staged a demonstration at Gandhi Square in the city this morning seeking action against the two BJP leaders.

Lashing out at Ravi and Kateel for their derogatory and inciting remarks against Siddharamaiah, who is a former Chief Minister and a senior Congress leader, the protestors demanded immediate arrest of C.T. Ravi for his inflammatory and unparliamentary language and also action against Kateel for his irresponsible statements targeting the former Chief Minister in the run up to Sindhagi and Hanagal by-polls.

Raising slogans against BJP leaders and the Government, the protestors warned of staging a massive demonstration if no action is taken against the two BJP leaders.

Former MLA M.K. Somashekar, City Congress President R. Murthy, District President Dr. B.J. Vijaykumar, leader M. Lakshmana, Corporator Shobha Sunil and other Congress leaders addressed the protestors.

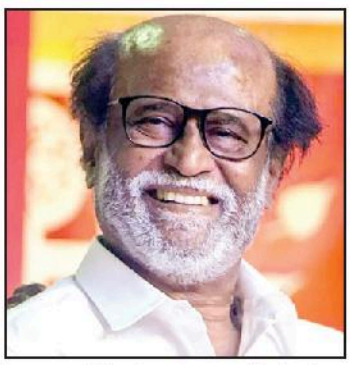
Former Mayors Pushpalatha Chikkanna and T.B. Chikkanna, leaders Shivanna, Bhavya, Hinkal Prakash and others were present.

'Rajinikanth fine, don't believe rumours'

Chennai, Oct. 29 (Agencies)- "Thalaivar is fine. Don't believe rumours," is the first official statement from superstar Rajinikanth's team a day after the actor was admitted to the Kauvery Hospital in Chennai — "Thaivalar" or "Leader" is what fans call the actor.

A voice message from Rajinikanth's PR manager Riaz K. Ahmed dismissed media reports that the 70-year-old has been diagnosed with a condition known as infarction. Rajinikanth was admitted to hospital after going there for a routine check-up. Tamil Nadu's Health Minister Ma Subramanian paid him a visit and said on Friday, "We have got in touch with the hospital, he (Rajinikanth) is doing well."

On Thursday evening, Riaz Ahmed said, "I am told sir has gone for a routine check-up and



he would return soon." Just a few days ago, Rajinikanth received the Dada Saheb Phalke Award - India's highest film honour - in New Delhi at a ceremony presided over by Vice-President Venkaiah Naidu. He was accompanied to the National Awards by daughter Aishwarya and son-in-law Dhanush, who received the Best Actor award. He returned to Chennai after meeting Prime Minister Modi and President Ram Nath Kovind.

CSIR-CFTRI's Skill India Initiative

Skill Development Programme on

'Baking Technology' from Nov. 15 to Dec. 10

Mysuru, Oct. 29- A four-week Skill Development Programme on 'Baking Technology' will be conducted at CSIR-CFTRI as part of Skill India Initiative from Nov. 15 to Dec. 10, 2021.

The bakery industry in India is the largest of the food processing segments with an estimated annual turnover of about 7.60 billion dollars in 2020. The market value is projected to reach 13.3 billion dollars by 2025 at a growth rate of over 9 percent.

It is a huge industry with over a million unorganised small-scale bakeries and more than 2,000 organised or semi-organised bakeries providing employment to a large number of people.

Driven by changing consumer preferences and health consciousness coupled with the recent COVID-19 push, the bakery industry is discovering new dimensions.

The sector is expected to see more international brands entering the Indian market and there will be a huge potential for unorganised small-scale bakery entrepreneurs.

The training programme catering to the needs of fast growing baking industry will be as per the requirements of National Skill Development Corporation (NSDC) guidelines. Expert scientists of CFTRI will provide hands-on training on choice of quality ingredients, product development and quality criteria.

Last date for registration is Nov. 1

Apart from this, the participants will also be given insight into packaging aspects, FSSAI guidelines, nutritional profiling, health and hygiene control. NSDC certificate for Qualification pack: Baking Technician/ Operative (FIC/Q5005; NSQF level 4) will be awarded to the successful candidates at the end of the programme.

The course would provide job opportunities for persons intending to have a career in baking industry, SHGs, un-organised bakery personnel, quality control managers, lab technicians/ assistants etc. The course will be beneficial to persons who want to start their own bakery units as an entrepreneur.

Those who have completed matriculation or entrepreneurs having interest in bakery industry can seek admission to the programme. The course fee has been fixed at Rs. 25,000 plus GST (total Rs. 29,500) per person. Participants need to arrange their own accommodation.

The details may be had at: https://www.cftri.res.in/sdp or contact Head, Flour Milling, Baking and Confectionery Technology, e-mail: fmbct@cftri.res.in; Ph: 0821-2517730 (off) or Mob: 94480-93080. The last date for registration is Nov. 1, according to a press release from Dr. Parigi Ramesh Kumar, Head, I&P Department, CSIR-CFTRI.

Fit Mysuru: City gyms to offer free one month training

Mysuru, Oct. 29- With an aim to educate people about fitness and to follow a healthy diet and lifestyle especially after the killer COVID-19 outbreak, gym owners in Mysuru have come up with a 'Fit Mysuru Movement' offering a free one month training at select gyms during November.

Office-bearers of Mysuru Gym and Fitness Owners Association have appealed to people to make use of this free fitness training camp from Nov. 1 to 30.

Association President M.S. Harsha said that this is an awareness camp held to sensitise people about the importance of fitness.

"During the month-long training, gyms will focus on the aspect of how to maintain fitness. Many think that going to a gym is to grow muscles and build a body. But fitness is not just to build a body but it is also about following a healthy diet and lifestyle. The campaign is to clear misconceptions and is to invite more and more people to lead a healthy life. This will result in a healthy society," he said.

He further said that Fit Mysuru is open to all those above 6 years of age and also sensitises on how to lose weight to overcome the problem of diabetes and blood pressure. Zumba, dance, yoga, aerobics and how to lose weight and gain weight are also being focused during the month-long camp. The camp will also help those not able to afford paying to gym to get free service for a month.

Syed Salman, Vice-President of the Association, A.L. Suresh Chandra, Secretary, Akash Deep, Treasurer and members of the Association were present. For details contact: 99452-33343.

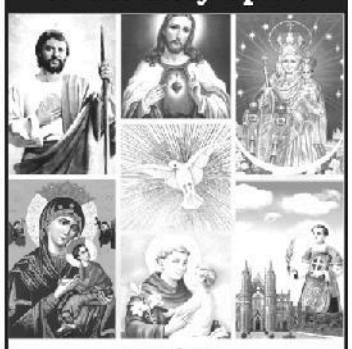
3 Day Miracle Prayer to the Holy Spirit



Holy Spirit,
You who make me see everything and show me the way to reach my ideal. You who give me the divine gift to forgive and forget the wrong that is done to me and you who are in all instances of my life with me.
I, in this short dialogue, want to thank you for everything, and confirm once more that I never want to be separated from you no matter how great the material desires may be, I want to be with you and my loved ones in your perpetual glory.
Amen
You must pray this prayer 3 consecutive days without asking your wish. After the 3rd day, your wish will be granted no matter how difficult it may be, Promise to publish this dialogue as your favor has been granted.

Narayana Hospital doctors give new lease of life to mother, infant

Senior Cardiac Surgeon and Clinical Director Dr. M.N. Ravi addressing a press meet at Patrakarthara Bhavan here recently as (from left) Senior Paediatrician and Neonatologist Dr. Maneesh S. Giri, Consultant Obstetrician Laproscopic and Infertility Specialist Dr. Savitha Rathod Naik, Senior Interventional Cardiologist Dr. N.S. Rajendra and Marketing Head K.V. Kamath look on.

Mysuru, Oct. 29 (KS) - Doctors at Narayana Multispeciality Hospital, Mysuru, have given a new lease of life to a 27-year-old pregnant mother and her newborn infant.

Sowmya (name changed), a resident of T.Narasipur taluk, had come to the Hospital with Amenorrhoea, breathing difficulty and swelling of the feet since 10 days. The doctors, who examined the patient, diagnosed her with Pulmonary Edema and admitted her to Coronary Care Unit (CCU) under Senior Interventional Cardiologist Dr. N.S. Rajendra on Oct. 2.

She was managed in the CCU for the day with inputs from Consultant Obstetrician Laproscopic and Infertility Specialist Dr. Savitha Rathod Naik and Senior Cardiac Surgeon and Clinical Director Dr. M.N. Ravi. She was diagnosed with Valvular Heart Disease - Severe Mitral Stenosis and Regurgitation. Since she was suffering from Pulmonary Edema (waterlogged lungs and heart failure), she was counselled for emergency Caesarean Section because of prematurity and poor survival chances of the baby. Caesarean surgery was performed on Oct. 3 by Dr. Savitha Rathod Naik and the woman delivered a live baby weighing one kilogram.

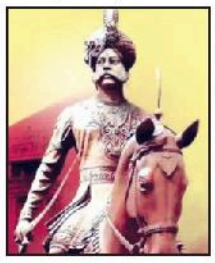
The mother was once again managed in the CCU and following respiratory failure, she got intubated and was put on a ventilator. As she was unstable even on a ventilator with cardiogenic shock, respiratory failure and kidney dysfunction, the woman's family members were counselled for emergency open-heart surgery as a life-saving procedure.

On Oct. 4, the woman underwent an open heart surgery and mitral valve replacement procedure. Over the next 24 to 48 hours, the woman recovered dramatically and the ventilator was removed on the 2nd post-operative day. She made a fast recovery after the surgery, continued ICU management and was discharged from the Hospital after a week.

Following Emergency LSCS, the child had respiratory distress for which the baby was intubated and resuscitated at OT and then shifted to NICU under the care of Senior Paediatrician and Neonatologist Dr. Maneesh S. Giri.

The baby was put on ventilator in the NICU, where it was managed with all the support it needed since the baby was pre-term. The ventilator was removed after 16 days. The baby is on oxygen support and is making good progress at NICU.

MCC Council approves installation of Nadaprabhu Kempegowda Statue



Mysuru, Oct.29 (SBD&DM)- Following demand from various quarters, the Mysuru City Corporation (MCC) has submitted a proposal to the Government for installation of Nadaprabhu Kempegowda Statue in the city.

MP Pratap Simha had submitted a memorandum to the MCC appealing for the installation of the statue of Kempegowda at the junction close to Regional Commissioner's Office on Mysuru-Hunsur road.

The memorandum was taken up for discussion at the Council meeting held on Oct. 26, during which it was resolved to send a proposal to the Government, as the Supreme Court has barred installation of statue of personalities at public places. Following the Council meeting resolution, MCC Commissioner G. Lakshmikantha Reddy has sought directions from the Government on the installation of the statue.

Meanwhile, MP Pratap Simha has thanked all Corporators for extending their co-operation for passing a resolution on installation of Kempegowda statue at the MCC land near the Regional Commissioner Office.

Protestors demand immediate repair of Azeez Sait Road

Mysuru, Oct.29 (MTY&DM)- Alleging that most of the roads in N.R. Assembly segment are dotted with potholes, members of SDPI (Social Democratic Party of India) staged a demonstration near Ek Minar Masjid on Azeez Sait Main Road, seeking immediate repair of the road, which is in a very bad shape.

Maintaining that many roads in N.R. Assembly Constituency are in poor condition, the protestors claimed that the crater-like potholes on Azeez Sait Main Road (Mahadevapura Main Road) pose a serious threat to the safety of motorists and pedestrians alike. As such, the authorities must take immediate steps to fill up all potholes in a scientific manner, they urged.

Contending that many motorists have sustained injuries in mishaps caused by bad condition of the road, they said that the situation will be far more worse when it rains, with pedestrians finding it difficult to even walk.

Demanding the authorities to repair the deteriorated road in a week, they warned of laying siege to the MCC Main Office and as well as to the residence of N.R. MLA, if it is not done.

SDPI office-bearers Amjad Khan, Mohammad Zaheer, Mohammad Shafi, Nooruddin Farooq, Firdous, Tabraiz Sait, Mohammad Junaid, former Corporator Swamy and others took part in the protest.

MP directs officials to hold massive vaccination campaign in November

Mysuru, Oct.29 (RK&DM)- Expressing his displeasure over Mysuru district failing to achieve 100 percent COVID-19 vaccination coverage even after so many vaccination drives, Mysuru-Kodagu MP Pratap Simha directed the health authorities to launch another mega vaccination drive in the district in the first week of November.

He was speaking at the DISHA meeting at the ZP Hall here on Thursday.

Stating that by now, all the 18-plus population in the district should have taken the vaccine, Simha expressed disappointment that the authorities had failed in reaching the goal.

Noting that the Health Department must take this seriously, the MP directed the officials to find out the reasons for not achieving the 100 percent target and also to hold another round of mega vaccination drive in the first week of November, ahead of Deepavali.

Referring to the establishment of Kidwai Hospital branch in Mysuru, Simha asked Deputy Commissioner Dr. Bagadi Gautham to allot 50 to 100 acres of land for the purpose. He also suggested that the land can be given in Lalithadripura survey No.29 coming under MUDA or elsewhere in the taluk.

The MP also asked the authorities to service the Oxygen Plants at Super Speciality Hospital and Trauma Care Centres in PKTB Hospital premises and at the District Hospital premises and utilise them for meeting all medical emergencies in the district. He warned that failure in utilising them will result in gradual deterioration of machinery.

He directed the officials to submit a proposal for Rs.72 crore required for staffing the Hospitals and purchasing of equipment.

DHO Dr. K.H. Prasad said that 21.20 lakh out of the targeted population of 24.88 lakh in the district have taken their first dose of COVID vaccine. Maintaining that the district has achieved 84 percent target, he said that about 57 of the eligible population has taken the second dose also.

Additional Deputy Commissioner Dr. B.S. Manjunathaswamy, ZP CEO A.M. Yogesh, MCC Commissioner G. Lakshmikantha Reddy, MMC&RI Dean and Director Dr. C.P. Nanjaraj, Deputy Conservators of Forests (DCFs) Dr. V. Karikalan and K. Kamala Karikalan and others were present.

WORD OF THE DAY

Cabal

Pronunciation: kuh-BAHL.
Meaning: A cabal is a group secretly united in a plot.
Origin: Cabal has been associated with a group of five Ministers in the Government of England's King Charles II. The initial letters of the names or titles of those men (Clifford, Arlington, Buckingham, Ashley, and Lauderdale) spelled cabal, and they have been collectively dubbed as the "Cabal Cabinet" or "Cabal Ministry." But these five names are not the source of the word cabal, which was in use decades before Charles II ascended the throne. The term traces back to cabbala, the Medieval Latin name for the Kabbalah, a traditional system of esoteric Jewish mysticism. Latin borrowed Cabbala from the Hebrew qabbālāh, meaning "received or traditional lore."
Example: "February 14? ... That's an arbitrary date picked by a cabal of florists and greeting card manufacturers. Love can happen any time of the year...." — Bruce Gravel, Peterborough (Ontario) This Week, 4 Feb. 2021.

THE ODD WORD

Cacidrosis
Smelly sweat.

PHRASE OF THE DAY

Hit the hay

Meaning: When you say you are going to 'Hit the Hay' you mean that you are going to bed.
Origin: The term 'hit the hay' is believed to have originated in 1903, when The Oakland Tribune reported that "Sam Berger, the Olympic heavyweight... was sleepy and he announced that 'he was going to hit the hay.'"
Example: "I'm exhausted. Time to hit the hay."

QUOTE BOX

Alimony is like buying hay for a dead horse. **—Groucho Marx**

Sudoku is a number-placing puzzle based on a 9x9 grid with several given numbers. The object is to place the numbers 1 to 9 in the empty squares so that each row, each column and each 3x3 box contains the same number only once. The difficulty level of the Concept is Sudoku increases from Monday to Sunday.

CRYPTOQUIP

The Cryptoquip is a substitution cipher in which one letter stands for another. If you think that X equals O, it will equal O throughout the puzzle. Single letters, short words and words using an apostrophe give you clues to locating vowels. Solution is by trial and error.
